

Property Availability Table 01 April 2017 to 31 March 2018

This booklet shows you what council properties we have had to let over the last 12 months in each area of Doncaster. We do not have all types of property in all areas to rent. Where we do not have the property type in that area it will say No Stock. Where we have had available properties the column will be highlighted in green with the total vacancies at the end of each table.

This information can help you decide;

If we have the type of property you want in your preferred areas

If you need to consider widening your areas of choice

If council housing is a realistic option for you

If you need to consider other Housing Options including:-

Accessing Advice to remain in your current home

Considering Housing Association Properties and the Private Rented Sector

Considering Affordable Housing Options such as Shared Ownership

You may need to be flexible and realistic about your chances of being rehoused. If you only consider certain areas you will be less likely to receive an offer even if you are in a priority band of Platinum, Gold or Silver. On average we have around 10,000 - 11,000 applicants on the Housing Waiting List and between 1400 and 1600 properties becoming vacant to let each year. There is very high demand for family and single person housing and larger age designated properties for older people.

We advertise a range of accommodation every week. You will have five days to bid for an advertised property. The bidding cycle will be open on a Thursday at 00:01 and will close on a Monday at 23:59. You can bid at any time within the five days, so make sure you only bid on properties you are interested in by using all the information on our adverts. Adverts can be seen at www.doncasterhomechoice.co.uk or in local area housing offices and reception points across Doncaster.

If you need help and support with bidding please contact a member of the Doncaster HomeChoice Team on 01302 862628 who can offer help, advice and support on bidding for properties, explaining how to access our service and giving advice to help you consider what options are available. Remember, you can also nominate someone else we can contact on your behalf.

For more up to date and detailed information on the banding, registration and effective dates of successful bids please visit the recent lets page at www.doncasterhomechoice.co.uk. This will also help you to make informed decisions on your chances of being rehoused. We have a full range of information available on our website, including information on how your application will be prioritised.

Please see the Partners and Other Housing Options page at www.doncasterhomechoice.co.uk or contact a member of our team on 01302 862628 if you want more information on HomeChoice and other Housing Options.
